

Host Site: Legal Aid Society of Northeastern New York

Project: Foreclosure/Landlord-Tenant Assistance Project

Location: Albany, NY or Amsterdam, NY

Description of Fellow Project:

The Foreclosure/Landlord-Tenant Assistance Project Fellow will work directly with experienced LASNNY attorneys in foreclosure and landlord-tenant proceedings to address problems faced by rural clients in accessing legal assistance and representation. The Fellow will be assigned to two or more attorneys in the Amsterdam or Albany office of LASNNY. The fellow's specific responsibilities will vary according to attorney assigned and aptitude. LASNNY expects a Fellow to progress rapidly from shadowing the supervising attorney, to being assigned specific aspects of a case beginning with client interviews and researching and drafting pleadings and memoranda, leading up to investigating, preparing, and presenting the case.
